All of the proceeds from this event will once again go to benefit UCSD Pediatric Hematology/Oncology Research. This unique Department is working on treatments that will help children and adolescents who have leukemia, solid tumors such as neuroblastoma (the most common childhood cancer), and other forms of cancer, as well as blood disorders such as hemophilia, sickle cell disease, thalassemia and other chronic anemia's. Your Sponsorship will help Dr. Kung, Dr. Yu and Dr. Diccianni continue their research to find new approaches to treatments that will specifically target cancer cells.

This year our event will take place on Saturday, April 11<sup>th</sup>, 2008 at 9<sup>th</sup> Ave. & "J" St. The event is a cornucopia of educational activities including, the San Diego Automotive Museum exhibit, Sea World's Educators answering questions about marine life, Instructions by San Diego Soccer's Todd Terpstra, Free DNA testing, Oral Hygiene Lessons, and Expert Nutritional suggestions. The main event is our Hat Making Workshop, which is an educational experience in itself. Supervised by Diana Cavagnaro, nationally renowned Millinery Instructor and Hat Designer. All hats and materials are provided. Our Bunny will be back and pictures will again be available. There will also be an Egg Hunt and Parade for the children to participate in, as well as prizes for all ages.
